Garowe Teachers Education College

(G T E C)

Building the nation through education

Vision

To be a center of excellence and the leading institutions in teachers education and research

Mission:

To develop a sustainable pool of qualified teachers in Somalia through teacher education, training and research in order to improve the quality of education

Objectives:

- To increase the number of qualified teachers who are equipped with updated pedagogical skills.
- To assist the Ministry of Education in establishing sustainable and adequate pool of qualified teachers for primary and secondary education sectors.
- To increase the number of qualified female teachers in primary and secondary schools.
- To show-case and document best practices in teacher education and training in Somalia.
- To promote synergy in teachers education and training in Somalia by establishing viable linkages and partnership.
