A message of welcome from the Principal

Since the college was opened in 2005, GTEC has served the whole Somalia and in particularly Puntland Regions, developing a reputation as a centre for academic excellence in a safe, caring and positive environment.

With more than 7000 Teachers trained (Both In-service & Pre-service), The College is committed to providing quality learning opportunities that enable our student-teachers or teachers to create a safe, supportive and disciplined learning environment where our focus is to increase access and quality of learning outcome. It also aimed at realizing our vision that is "to be a center of excellence in teachers' education and research".

We also value education outside the classroom and believe it is important for our trainees to be actively involved in sports, arts, cultural and leadership opportunities.

We have the confidence and respect of our community. Our academic results are consistently high. GTEC College has been regularly supported and endorsed by the Ministry of Education, community as well as Education partners as a high-performing Institution.

The college is so pleased by the impressive academic result of our student-teachers as some of fresh graduates secured job that were merit based and they continue to make a valuable contribution to the wider community.

Thank you for your interest in our college. We look forward to meeting you.

About

GTEC is a public teacher's education institution managed on behalf of the Ministry of Education by a board of governors. The College is legally and officially recognized and endorsed by the regional government. GTEC is committed to making a meaningful contribution to the development of Somalia through offering comprehensive and relevant teacher education and training program. The college continues to enjoy wide support from the local community as well as local and international partners. Over the past seventeen years GTEC has trained more than 7300 teachers with many of its graduates working in primary and secondary schools across Puntland State of Somalia and elsewhere in Somalia.

The College was officially opened in 2005. Since its inception, 16 batches of pre-service primary and 14 batches pre-service secondary teacher have graduated from the college.
